## Schedule to SafeContractor certificate

This SafeContractor certificate is awarded for the following services:

Structural Steel Erection

A large, abstract graphic composed of several overlapping, semi-transparent blue triangles of various shades, creating a geometric pattern in the background.

**SafeContractor** accreditation has been achieved following an assessment of the contractor's health & safety documentation, and compared against the **SafeContractor** Charter Standards, which set out the health & safety standards required to achieve accreditation.

For more information on the Charter Standards, the **SafeContractor** scheme or for confirmation of this contractor's accreditation please telephone **SafeContractor** on 029 2026 6749.
